Annual General Meeting 2023

Dear Shareholder,

Please find attached the Notice of Annual General Meeting (the "**AGM**") of Quixant PLC (the "**Company**") which will be held on 27 April 2023. The Notice of AGM sets out the business to be considered at the meeting.

Guy will be retiring from the board at the 2023 AGM and therefore will not be standing for re-election. On behalf of my fellow directors I would like to pass on our thanks and gratitude to Guy for his outstanding contribution and expertise throughout his tenure as a board member and chairman of the Audit Committee.

The resolutions proposed for consideration at the AGM are set out on the three pages following this letter. There are also detailed explanatory notes about the proposed resolutions below and explanation of your rights to attend and vote at the AGM or to appoint a proxy.

The Board considers that all the proposed resolutions are in the best interests of the Company and its members and are most likely to promote the success of the Company for the benefit of its members as a whole.

If you have a question you would like to put to the Board relating to the business to be conducted at the AGM, this should be submitted to the Company Secretary via Susan.Wallace@shma.co.uk.

Resolution 1 – To receive the Annual Report and Financial Statements

The Directors are required to present the financial statements, Directors' Report and Auditor's Report to the meeting. These are contained in the Company's Annual Report for the year ended 31 December 2022 (the "**Annual Report**"). A resolution to receive the Annual Report is proposed as an ordinary resolution.

Resolutions 2 – To declare a final dividend

The Directors propose an ordinary resolution to approve the payment of a final dividend, of 3.0 pence per ordinary share in respect of the year ended 31 December 2022. The dividend is recommended by the Board and will be paid in cash on 25 August 2023 to holders of ordinary shares registered at close of business on 28 July 2023.

Resolution 3 and 4 – Election of Directors

The Directors propose ordinary resolutions to approve the election of Duncan Penny and Carol Thompson, who having been appointed as Directors since the Company's last Annual General Meeting, are retiring in accordance with Article 66 of the Company's Articles of Association and offering themselves for election as Directors.

Resolutions 5, 6, 7 and 8 – Re-election of Directors

The Directors propose ordinary resolutions to approve the re-election of Nicholas Jarmany, Gary Mullins, Jonathan Jayal and Francis Small who are retiring by rotation in accordance with Article 69 of the Company's Articles of Association and offering themselves for re-election as Directors. Pursuant to Article 69 of the Company's Articles of Association, at each AGM of the Company's one third of the Directors (or, if their number is not three or a multiple of three, the nearest number to one third) are required to step down and can offer themselves for re-election. Article 69 also requires that any Director who has held office with the Company for nine years or more, shall be subject to re-appointment at each annual general meeting. Guy van Zwanenberg will be stepping down from the Board of Directors with effect from the conclusion of the meeting.

Resolution 9 and 10 –Appointment and remuneration of Auditor

The Company is required to appoint auditors at each general meeting at which accounts are laid before the Company, to hold office until the conclusion of the next meeting. The Directors propose ordinary resolutions to approve the reappointment of KPMG LLP as auditors of the Company until the next AGM and to authorise the Directors to determine their remuneration.

Resolution 11 – Authority to allot shares

The authority sought by this resolution is for the Directors to be authorised to allot Ordinary Shares or to grant rights to subscribe for, or to convert any security into, Ordinary Shares up to two-thirds of the Company's current issued share capital at the date of this notice. Paragraph (i) of the resolution will give the Directors a general authority to allot up to an aggregate nominal value of £22,158.35 being the equivalent of one-third of the Company's issued ordinary share capital at the date of this notice. This is in accordance with the Investment Association Share Capital Management Guidelines. In addition, the guidelines permit the authority to extend to a further third of the issued share capital, where any such shares allotted using this additional authority are in connection with a rights issue. Paragraph (ii) of the resolution proposes this additional authority be granted to the Directors.

The Directors are seeking the annual renewal of this authority in accordance with best practice and to ensure the Company has maximum flexibility in managing its capital resources. The authorities in this Resolution will lapse at the end of the next Annual General Meeting of the Company or 30 June 2024 (whichever is the sooner).

Resolutions 12 and 13 – Authority to disapply pre-emption rights

Resolutions 12 and 13 are special resolutions which, if passed, will enable the Directors to allot shares in the Company, or to sell any shares out of treasury, for cash, without first offering those shares to existing shareholders in proportion to their existing shareholdings. In November 2022, the Pre-Emption Group published a revision of its Statement of Principles. The 2022 Statement of Principles provides that a company may now seek power to issue on a non-pre-emptive basis for cash equity securities representing: (i) no more than 10% of the company's issued ordinary share capital in any one year, whether or not in connection with an acquisition or specified capital investment (with a further authority of no more than 2% to be used only for the purposes of making a follow-on offer); and (ii) no more than an additional 10% of the company's issued ordinary share capital provided that such additional power is only used in connection with an acquisition of specified capital investment (with a further authority for no more than 2% to be used only for the purposes of making a follow-on offer). In line with best practice, the Company has structured its pre-emption disapplication request as two separate resolutions.

If Resolution 12 is passed, it grants a three-part disapplication of statutory pre-emption rights: (i) in connection with a rights issue or other pre-emptive issues; (ii) up to a maximum nominal amount of £6,647.51, representing approximately 10% of the Company's issued ordinary share capital at 21 March 2023, being the latest practicable date prior to the publication of this document (otherwise than under the power referred to in (i)); and (iii) up to a nominal amount equal 20 per

cent of any allotment under (ii), but with such power to be used only for a follow-on offer (a "Follow-On Offer") which the Directors determine to be of a kind contemplated by paragraph 3 of section 2B of the Pre-Emption Group Statement. This resolution will permit the Directors to allot any such shares for cash in any circumstances (whether or not in connection with an acquisition or specified capital investment).

If Resolution 13 is passed, a further disapplication of pre-emption rights (additional to those contained in Resolution 12) will be granted, limited to: (i) up to a maximum nominal amount of £6,647.51, which would equate to 10% of the Company's issued share capital (excluding treasury shares (if any)) as at 21 March 2023, being the latest practicable date prior to the publication of this document, to be used for the purposes of financing (or, in certain circumstances, refinancing) transactions which the Directors determine to be either an acquisition or a specified capital investment contemplated by the Pre-Emption Group Statement; and (ii) up to a nominal amount equal 20 per cent of any allotment under (i), but with such power to be used only for a Follow-On Offer.

Resolution 14 – Purchase of own shares

Resolution 14 is a special resolution that will grant the Company authority to make market purchases of up to 6,647,506 Ordinary Shares, representing approximately 10% of the Company's total voting rights as at the date of this Notice. Any shares that are bought back will either be cancelled or placed into treasury at the directors' determination. The maximum price that may be paid is 5% above the average mid-market price for the preceding 5 days and the minimum amount is 0.1 pence, being the nominal value of the Ordinary Shares. The directors have no current intention of exercising this authority and would only do so if they considered it to be in the best interests of shareholders.

The authorities in this resolution will lapse at the end of the next Annual General Meeting of the Company or 30 June 2024 (whichever is the sooner).

Resolution 15 – Change of Company name

Resolution 15 is a special resolution to change the Company's name to Nexteq plc.

The Group's strong growth to date means that the business has evolved from 58 employees at IPO in 2013 with a niche vertical focus in providing computer platforms into the Gaming industry to a business with 230 employees supplying multiple product ranges to customers across a range of industries. The Board believes the business platform provides an opportunity to identify and diversify further into other sectors that could also benefit from a technology outsourcing partnership but have had little specialist provider penetration to date.

As such, the Board has considered the value proposition, vision and brand for the Group as a whole. The Quixant brand is recognised and highly respected in the Gaming sector, while Densitron has a pedigree in industrial display components and more recently as an expert in Broadcast HMI solutions. The Group however is sector agnostic but operates through divisional businesses which share the common vision to support customers in selected markets with products which enable them to focus their internal engineering effort on their core value proposition.

The Board has therefore decided to recommend to shareholders a change in name of the Group to Nexteq plc, while maintaining the Quixant brand for the Gaming Business and Densitron for the Broadcast and Industrial Display Components Businesses. The Board believes this will provide the right structure to support our growth strategy and clarify our offering in the market.

Yours sincerely

Francis Small
Chair

IMPORTANT NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING ("AGM")

The following notes explain the general rights of shareholders and their rights to attend and vote at the AGM or to appoint someone else to vote on their behalf.

1. To be entitled to attend and vote at the AGM (and for the purpose of the determination by the Company of the number of votes they may cast), shareholders must be registered in the Register of Members of the Company at close of business on 25 April 2023 (or, in the event of any adjournment, 48 hours before the time fixed for the adjourned meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting. There are no other procedures or requirements for entitled Shareholders to comply with in order to attend and vote at the AGM.
2. Members are entitled to appoint a proxy to exercise all or part of their rights to attend and to speak and vote on their behalf at the AGM. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. Submission of a Proxy vote shall not preclude a member from attending and voting in person at the meeting in respect of which the proxy is appointed or at any adjournment thereof.
3. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's Register of Members in respect of the joint holding (the first named being the most senior).
4. Any person to whom this Notice is sent who is a person nominated under Section 146 of the Companies Act 2006 (the "**Act**") to enjoy information rights (a "**Nominated Person**") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
5. The statement of the rights of shareholders in relation to the appointment of proxies in notes 2, 3 and 8 do not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.
6. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the AGM.
7. To be valid, a form of proxy together with, if applicable, the power of attorney or other authority under which it is signed, or a certified copy thereof, must be received by Neville Registrars Limited, Neville House, Steelpark Road, Halesowen B62 8HD no later than 11:00 a.m. on 25 April 2023.
8. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM (and any adjournment of the AGM) by using the procedures described in the CREST Manual (available from <https://www.euroclear.com/en.html>). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
9. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated

in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuers' agent (ID 7RA11) by 11:00 a.m. on 25 April 2023. For this purpose, the time of receipt will be taken to the time (as determined by the timestamp applied to the message by the CREST application host) from which the issuers agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

10. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
11. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that no more than one corporate representative exercises powers in relation to the same shares.
12. As at 21 March 2023 (being the last practicable business day prior to the publication of this Notice), the Company's total number of voting rights amounted to 66,475,060 comprising 66,475,060 ordinary shares carrying one vote each.
13. Under Section 338 and Section 338A of the Act, shareholders meeting the relevant threshold requirements as set out in those sections have the right to require the Company (a) to give to those shareholders entitled to receive notice of the AGM, notice of a resolution which may properly be moved and is intended to be moved at the AGM and/or (b) to include in the business to be dealt with at the AGM any matter (other than a proposed resolution) which may be properly included in the business. Such requests may be in hard copy or electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business of the AGM, must be authorised by the person(s) making it and must be received by the Company no later than six clear weeks before the AGM. In the case of a matter to be included in the business of the AGM it must also be accompanied by a statement setting out the grounds for the request.
14. Copies of all Directors' letters of appointment' and a copy of the Articles of Association of the Company are available for inspection during normal business hours at the Company's registered office up to the date of the AGM and at the place of the AGM from 15 minutes before the start of the meeting until conclusion of the meeting.
15. You may not use any electronic address provided in either this Notice or any related documents to communicate with the Company for any purposes other than those expressly stated.
16. If a shareholder has a general query about the Annual General Meeting or wishes to give the Company prior notification of any question he wishes to ask at the Annual General Meeting he should call our financial PR advisors, Alma PR (John Coles or Hilary Buchanan) on +44 (0)20 8004 4218. Their lines are open from 8:30am to 5:30pm on Monday to Friday (except public holidays). Calls may be recorded and monitored for security and training purposes.
